Languages

English - Native

Shona - Native

French - limited

Hobbies

- Electronic tweaking
- Interior design
- Photography
- Design & editing

CAREER OBJECTIVE

Graduate and gain experience working across full-stack secure software development and system security. Looking for a role where I can grow and learn from experienced team members while drawing on project experience I have already successfully executed.

PROFILE

Knowledgeable, performance driven and well detailed Information security student who excels at configuring and maintaining hardware, developing secure software and resolving technical support requests.

Skills Highlights

- PENETRATION TESTING
- WEB DEVELOPMENT
- INTERPERSONAL SKILLS
- GRAPHIC DESIGN
- TECHNICAL SKILLS
- CRITICAL THINKING

Work Experience

Bridge Coach - 02/2019 to 11/2019

ARUNDEL SCHOOL, Mt Pleasant. **REF:** Mrs Panganai :0772707373

- I coached about 60 students and competed against schools like Peterhouse, Chisipite, St Johns and Prince Edward School.

Repair Technician- 11/2018 to 12/2021

REPAIRBOX, Mt Pleasant, Harare **REF:** MR Munduna: 0772893581

Mostly specialized in troubleshooting and repairing mobile devices, laptops and computer systems.

Skills: computer knowledge, precision, time management, clear communication to relay problem in an understandable way to managers and amongst clients.

I also managed the online social media and online marketing of the company including creating content especially on Instagram and managed to gain over 5000 followers in 24 months [@repairboxzw](#)
